Santorini, Greece, Charming Oia Village

Built high up on the ridge of red rocks, Oia offers breathtaking views of the blue Aegean and the caldera below. Take a stroll around the narrow streets with free time to visit the art galleries, antique shops and perhaps enjoy a cup of coffee in one of the cafés or pastry shops. Many artists have fallen in love with this idyllic setting and their presence is obvious in the many art galleries. This traditional village offers you spectacular photo opportunities of the famed blue domed churches and sundrenched verandas. Estimate Duration 3 hours
